ABOUT SUNRISE...

SUNRISE ENVIRONMENTAL SCIENTIFIC is a supplier of industrial chemical formulations to the Industrial, Institutional and Governmental marketplaces. In business for over 30 years, SES prides itself in manufacturing the highest quality chemical compounds available today.

Our wide market divergence and eclectic product line demand the utmost in production and sales efficiencies. We continually strive to "Blend the Demands of Industry and Environment", by complying with the most rigid air quality and environmental compatibility requirements in the country.

Our business philosophy embraces the development of a "Partnership" concept among our valued customers and vendors. Through these developments, we are able to stay at the cutting edge of product development and responsiveness. Since we ship all over the country and to some foreign countries as well, we strive to turn our orders around the same day we receive them. Our average turn-around time for an order in 2008 was .68 days. What this stat means to our customers is reduced inventory costs and "light-speed" delivery. That combination translates to increased profits at our customers' end.

Our Sunrise Sales Representatives provide an invaluable consulting service in concert with our home office Technical Department. This function allows our customers to concentrate on their businesses while letting us provide the necessary advice and chemical products to maximize their return.

All SUNRISE shipments contain the appropriate MSDS sheets for every product in the shipment. This fact allows our customers to stay up to date in their regulatory requirements. We understand the "regulators" are not getting less stringent in their diligence. We have a vested interest in assisting our customers to stay one step ahead.

Whether your needs range from graffiti removal, agricultural specialty compounds, hand cleaners, automotive and truck washing formulations, lubricants, industrial treated wipes to simple window cleaners, let SUNRISE show you the value of Partnering with you to save you time, energy and money. We welcome the opportunity to serve your needs.

AIR FRESHENERS AND ODOR CONTROL

AEROSOL

1091 APPLE AIRE - NEW, quickly removes foul odors and leaves the clean scent of fresh green apples. Also available in bulk packaging. NO. 2143.

1017 BAMBOO & LEMON - High-tech formulation air freshener, quickly eliminates offensive odors.

1085 CINNAMON APPLE - The ultimate in freshening persistence, leaves no annoying residue. High diffusion characteristics allow uniform dispersal throughout the target area.

1000 CINNAMON STICK - The ultimate in freshening persistence, high diffusion characteristics allow uniform dispersal throughout the target area.

1088 ISLAND BREEZE - Provides the ultimate in freshening, persistence and cleanliness with the fragrance of the islands.

1001 JAMAICA MAHN - The ultimate in freshening persistence, leaves no annoying residue. High diffusion characteristics allow uniform dispersal throughout the target area.

1015 ORANGE FUSION - Newest formulation in air freshening compounds. Leaves a fruity-fresh orange scent with no annoying residue. Also available in bulk packaging #2106.

1072 PEACHES-N-CREAM - New high-tech formulation reodorizing compound. Spray this unique formulation into any target environment and wait for the pleasant comments to begin. Also available in bulk packaging. NO. 2056.

1070 PINE FOREST - High-tech formulation air freshener. The ultimate in freshening persistence, leaves no annoying residue.

1073 RAIN TREE - New high-tech formulation eliminates odors. Leaves a fresh, long-lasting clean scent.

CLEAN BREEZE

SUNRISE' CLEAN BREEZE is at the forefront of air reodorizing compounds. This High-Tech "DRY" formulation provides the ultimate in freshening, persistence and cleanliness. CLEAN BREEZE is not a mask, it is a neutralizer. CLEAN BREEZE is packaged with a unique valve that allows either intermittent spray or total can evacuation for "fogging". Which covers 8,000 cu. ft. of foul odors. This product is a must for all!

BULK LIQUID

2083 C-BREEZE - Air freshener and deodorant spray. Designed for hospitals, hotels, schools, and other institutions.

2016 HONEY MIST - All-purpose deodorizing air freshener. Designed to eliminate odors for hotels, hospitals, fire departments, schools and other institutions.

2093 HYDROFOIL - Deodorizes and cleans urinals, carpets, upholstery and garbage containers. Contains live bacteria to remove the source of the odor.

2082 PINION - A pine forest scented reodorizing compound. Replace unpleasant odors with the pleasing scent of a walk through a pine forest.

2006 SUMMIT - Concentrated odor control formula for sewage disposal plants, landfills, refuse dumps, pumping stations, refuse trucks, etc.

2159 TERMINATOR - Portable toilet deodorizer. Extremely concentrated blend, gives optimum performance. Available in MULTIPLE FRAGRANCES. Consult with your sales representative to determine the option best for your business.

2099 TROPICAL ORANGE - Formulated to create a tropical island fragrance, this economical, dilutable air freshener is at forefront of reodorizing technology.

BULK DRY

4018 ELIMINATE - Granular odor control. Use in garbage containers, removal equipment, dumps, leach fields, sludge beds, sewers, barns or wherever strong odors are a problem.

4043 TERMINATOR TABS - Portable toilet deodorizer in a convenient toss in tab. No mess or dilution required. Potpourri scented.

AUTO AND FLEET MAINTENANCE

AEROSOL

1046 CABLE CLEAN - Battery terminal and cable cleaner. Removes dirt and corrosion, leaves a protective coating.

1044 CARB FREE - Quickly dissolves gum, varnish and carbon from carburetors.

1007 DEFROST - Melts ice from windshields, locks, and door jambs, etc.

1023 DRY OUT - Removes moisture from automotive ignition systems.

1049 DYNAMITE - Cleans and waxes most painted metal surfaces. Fine carnauba waxes leave long lasting protective shine. **Also available in bulk packaging. NO. 2060.**

1025 ENHANCE - This formula will protect and rejuvenate vinyl, plastic, rubber, leather, chrome and most painted surfaces.

2029 GLIMMER - Carnauba based car polish. Restores natural finish to paint and removes unsightly blemishes such as scratches.

1098 KLEEN BRAKE - Quick cleaning of brake shoes and related parts. Evaporates instantly, with minimum of residue.

1045 RAINDANCE - The easiest and most advanced windshield treatment on the market.

1054 REFLECTION - Outstanding car polish, leaves a "Showroom Shine". Formulated for use on all lacquer, enamel and clear-coat.

1047 SEAL TITE - Gasket cement and thread sealant. A non-hardening formula, resistant to fuels, water, oils and antifreeze. For use with all gasket materials.

1101 STRIKER - SUNRISE'S newest degreaser combines the strength of two powerful degreasers in one!

1005 TRACTOR RESTORE - Cleans and waxes the most oxidized paint surfaces out there. Easy application with rag without the use of buffing pads.

BULK LIQUID

2062 ARMOUR GUARD - Revolutionary product designed to protect and rejuvenate vinyl, plastic, leather, rubber, wood, chrome and fiberglass.

2119 BURST - Fast, powerful and economical. For use in pressure wash equipment; cleans autos, trucks, busses and equipment.

2101 CLEAN 'N SHINE - A single-phase wash & wax compound.

2098 CONCORDE - Ready-to-use windshield washer fluid. Leaves no residue, non-corrosive and harmless to automotive finishes.

2107 CONQUER - The safe and effective solution for cleaning concrete and mineral deposits from your tools, trucks, windows and machines.

2059 RADEX 321 - Prevents build-up of corrosion and scale. Makes cooling system work more efficiently and last longer.

2072 RINSE FREE - Car wash rinse agent. Highest quality final rinse additive for all types of car washing machines.

2008 SEE & THAW - Windshield washer concentrate. Dilutable cleaning and thawing agent. Will not freeze at temperatures as low as - 60 degrees F. For year-round fleet use.

2003 SPITFIRE - For gas and diesel engines. Dissolves carbon, varnish, gum, moisture and sludge. Keeps fuel system clean.

2037 SUDSY - Designed to work in automatic or manual car and truck washing systems. Highly dilutable, free-rinsing and leaves a protective film.

2113 TREAD CLEAN - Whitewall and rubber cleaner. Quickly cleans away dirt, coatings, scuff marks, etc. restoring new look.

2067 VECTOR - High pH foaming fleet washing soap. Will remove toughest film and soil on fleet vehicles. Non-corrosive.

BULK DRY

4012 MD-77 - A truck and bus washing formula. Powerful cleaner for fast removal of dirt from trucks, buses and heavy equipment.

SPECIALTY PACKAGING

4032 PREEN - Sunrises' amazing Enhance/Armor Guard in a handy, disposable towel. Treats rubber, vinyl and other hard and soft surfaces.

DYNAMITE

MIRACLE WASH

DYNAMITE is scientific blend of fine carnauba waxes does an outstanding job in restoring and protecting all painted surfaces such as cars, trucks, planes and motorcycles, Leaves a long lasting shine and easily applied. Also available in bulk packaging. No.2060.

MIRACLE WASH is a one step, wash & shine engineered to save time and money. Designed for use on cars, trucks, buses, fleet, riding movers and large equipment. This product is highly dilutable and leaves an impressive shine with out the waxing or buffing of other similar products. No. 2200

SOLVENT BASED CLEANERS

AEROSOL

1111 BREAKER 1-9 - Part of **SUNRISES'** new **FOOD GRADE** line. This citrus-based compound is water soluble and can be used on any processing equipment before and after processing.

1112 ECHO 7 - FOOD GRADE Citrus compound. Can be use in all food processing facilities for multiple applications and tasks.

1040 FLUSH OFF - This solution saves man hours by flushing sludge and greasy residue from metal and painted surfaces quickly and safely.

1074 LECTRON - Advanced technology safety solvent. **Does NOT contain 1,1,1, trichloroethane**, removes grease, oil and contaminants from electrical and mechanical devices. **Also available in bulk packaging NO. 2065**

1033 LEKTRIKLEEN - A non-flammable solvent with low toxicity. Replaces 1,1,1, Trichloroethane. Safely cleans electrical equipment, motors, starters, etc. Non-conductive. **Also available in bulk packaging NO. 2041.**

1106 OVERTIME - Fast evaporating coil cleaner. Designed to remove grease, grime and debris from A/C coils. **Also available in bulk packaging NO. 2167.**

1031 PHAZER II - Contact cleaner, ultimate purity, dielectric, non-hazardous spray. Formulated for removing oil, grease, flux and other contaminants from sophisticated electronic parts.

1066 PRISM - Water soluble degreaser. The all natural formulation for attacking the heaviest forms of grease, oil and resin build up. **Also available in bulk packaging #2094.**

1082 STINGER - Today's answer to the demand for a non-flammable, fast drying, quick-cleaning solvent compound. High dielectric rating for cleaning electronic equipment. **Also available in bulk packaging NO. 2103.**

1042 VOLTON - Safety solvent. The optimum replacement for 1,1,1, Trichloroethane. Fast evaporation, no residue, non-flammable, dielectric strength of 36.7 KV and a KB rating (129) that exceeds 1,1,1, Trichloroethane.

BULK LIQUID

2108 ENVIRO-SOLVE - Lift station treatment, breaks down grease and sludge. A citrus terpene formulation that forms a cap which masks odors and cleans the side

EXETER

EXETER is a powerful, orange scented degreaser offering the ultimate in safety and environmental concern. **EXETER** is ideal for use in parts washers. It quickly removes grease and grime. **EXETER** is also extremely effective on glues, stickers, tape residue and cable icky-pik. Effective at removing annoying price tag residue and decal glues. In addition, **EXETER'S** great natural citrus scent makes this product easy to work with. Cleans and degreases anything!

EXECUTE

EXECUTE is at the forefront of cleaning technology. This product is designed for use on any vertical surface as well as any hard surface. The unique characteristics of **EXECUTE** allow the product to do the work for you. The gelling action of the product enables **EXECUTE** to stay on a vertical surface longer for deeper cleaning ability. **EXECUTE** works on painted surfaces as well as wood and plastics. **EXECUTE** also removes glues, tapes, resins, tar, asphalt, stubborn heal marks and a variety of other difficult to clean areas.

ACID BASED CLEANERS

BULK LIQUID

2015 AB-73 - Ideal product for cleaning and brightening aluminum surfaces of truck trailers, van bodies and wheels.

2011 CC-32 - Removes hardened concrete from cement handling equipment.

2070 DAIRY BRITE - A concentrated milkstone and waterstone remover. Designed for effortless removal of corrosion from stainless steel tanks and milk lines. For dairies and wineries.

2017 GLISTEN - Acid-base porcelain and tile cleaner. Safe, no harsh fumes. Excellent heavy-duty cleaner for bathroom fixtures.

2080 LINESOLVE - Pipeline purgative, a cleaner and scale-removing compound for CIP and manual systems. Removes milkstone, waterstone and hard water build-up from the interior of dairy pipelines.

2020 MURIATIC ACID - Standard 20 degree baume. Used to adjust the pH level of swimming pools.

2009 OX-OFF - Removes deposits and scale from metals, glass and tile.

2127 RUSTY - For removing rust and scale deposits on LP gas tanks, fertilizer application equipment, farm equipment, trucks and autos.

2077 SPARKLE - Removes water spots from glass and masonry. Removes water spots and rust stains from most hard metal surfaces.

2073 TOMAHAWK - Phosphoric fleet washing compound. Removes road film, mineral deposits, concrete and residue from fleet vehicles and ready-mix trucks.

2122 TRUCK RESTORE - Designed for the removal of anodoc and chromate coatings on aluminum. Leaves treated surfaces with a brilliant shine.

WATER BASED CLEANERS

2063 ASSAULT - ASSAULT is the ultimate in water based cleaners. With ASSAULT, you have the best of both worlds, a powerful cleaner/degreaser without the harsh solvents or caustics. ASSAULT is highly concentrated allowing for maximum dilution ratios and money savings. ASSAULT is the ideal grease remover for hard surfaces such as concrete floors, asphalt, pressure washing, packing shed floors, and virtually anywhere grease or grime are a problem.

2004 ATTACK - SUNRISE'S ATTACK is the ultimate in heavy-duty water-soluble degreasers. ATTACK is designed to be used on hard surfaces such as metal, brick and concrete. ATTACK will dissolve away the heaviest dirt and grease.

2086 BRAWNY - Ultra heavy-duty hood and vent cleaner. For all commercial kitchen applications.

2133 CRUSH - Powerful non-corrosive cleaning compound.

2120 "FEC"IL- I -TATE - Extra-strength dairy cleaning compound. The ultimate weapon for attacking the encrustation commonly found in the typical dairy environment.

2053 GRIME FIGHTER - GRIME FIGHTER is highly concentrated and effective in stripping away grime, grease deposits, oil, soap scum, as well as many stains and soft carbon deposits. A rust inhibitor provides safe cleaning of ferrous metals. GRIME FIGHTER can be used for cleaning glass, concrete, sealed wood, quarry tile and all metal surfaces.

2089 HUSTLE - Excellent for removing grease, soil, sticky residues etc. from all hard surfaces. Will remove chewing gum from carpets and upholstery.

2071 KLORLINE 500 - Line purgative especially formulated for dairy plants, farm and food processing industries. Highly dilutable.

22057 KRYSTAL KLEEN - A concentrated liquid detergent for hand dish washing.

126 LACTAZINE - Heavy-duty chlorine compound especially designed for milk lines, milking machine parts, and other dairy equipment.

2078 LAZER GREEN - A truly remarkable cleaning compound. LAZER GREEN is the ideal grease remover for hard surfaces such as, concrete floors, asphalt, metal kitchen vent filters, screens, processing plants and related equipment.

2030 LEMON TWIST - Liquid, multi-purpose cleaner and deodorizer. Medium-duty, non-toxic. ALSO AVAILABLE IN READY-TO-USE QUARTS!

2031 NUTRACLEAN - This is a neutral pH, odorless cleaner specifically formulated for all types of surfaces and will not harm finishes.

2088 OBLITERATE - Use in meat and poultry processing plants. Cleans grease and grime quickly. Biodegradable, phosphate free, non-flammable and contains a rust inhibitor.

2026 ORANGE EXPRESS - One of the newest members of Sunrise's line of great degreasers, Orange Express provides a great citrus scent with heavy-duty cleaning ability.

2115 PITCH OFF - Ammoniated cleaner formulated to remove pitch, tar and other resinous materials from tools and equipment.

2058 POWER PLUS - Wax and floor finish stripper. Cleans and prepares linoleum, concrete, ceramics, terrazzo, wood, tile, etc.

2049 QUICK KLEEN - SUNRISE'S QUICK KLEEN is completely safe for cleaning airplanes, buses, cars and trucks having acrylic, lacquer, enamel, and metallic painted surfaces. Harmless to chrome, aluminum and stainless steel. QUICK KLEEN is a concentrated cleaner which effectively removes grease, oil, smudges and road tar. Ideal for pressure washing!

2038 RAWHIDE - Ammoniated cleaner-degreaser. Designed for the rapid removal of grease, oil, light carbon, stack soot, Diesel residue, cosmoline and other difficult soils. Heavy concentrate = liberal dilutions = economical.

2010 RED FLASH - Liquid drain opener. Removes organic blockage, will not harm pipes.

2144 RED THUNDER - The magic of SUNRISE'S lab has once again produced a remarkable new cleaning compound. RED THUNDER is a non-toxic, non-flammable, biodegradable, neutral cleaner. The economy of use and wide variety of applications give this non-alkaline workhorse superior results in all tasks. The inherent safety of this product makes it ideal for use anywhere.

2019 SANI-BRITE - Cleans and deodorizes all bathroom fixtures. Pine scented, highly dilutable concentrate.

2174 SCALE-X - Specifically formulated for removing heavy urine and scale build-up prone in restrooms. Designed to be used with or without a pressure washer.

2046 STEAMEZE - Use in high-pressure steam cleaning equipment. Rapidly removes oil, grease and dirt from metal and concrete surfaces.

2001 SUPERCHARGE - Heavyduty cleaning without a heavy-duty price. This ultra powerful degreaser is designed to aggressively clean and degrease the toughest jobs.

2061 TITAN - New multi-purpose degreaser. Does not contain butyl, acids or chlorides. Biodegradable and contains rust inhibitors.

2048 TWIN POWER - Multi-purpose cleaner for all types of equipment, walls, furniture, etc.

GRAFFITI REMOVERS

TALON

TALON is the ideal selection for removing aerosol paints from highway and street signs, usually without removing the luminescent, reflective quality of the affected area. In addition, **TALON** performs as a superior graffiti remover. It will remove most paints and inks from walls, floors, painted and

WIPE OFF

WIPE OFF is hands down the best graffiti remover on the market. Across the country and around the world **WIPE OFF** has established a reputation unmatched by any other paint removal product. Formulated to remove graffiti, inks, crayons, lipstick and other marks from road signs, portable toilets, bridge abutments, sidewalks, reflective signs, Formica™ tops, washroom walls, under passes, trucks, buses, public buildings, mirrors, lockers and wherever graffiti is a problem. **WIPE OFF** may be used on most surfaces: Brick, glass, ceramic tile, porcelain, marble, ceramics, formica, terrazzo, enamels, brass, aluminum, steel chrome, vinyl, painted and many other surfaces.

TAGGERS

TAGGERS is the latest containerized towel from **SUNRISE**. These amazing towels are impregnated with a graffiti-removing formulation of solvents and detergents. The self contained canisters of **TAGGERS** provide the user with a portable tote, enabling easy removal of minor graffiti and other soiled compounds, from hard surfaces.

G-FORCE

Our newest graffiti removal product, **G-FORCE** is formulated to be cost effective and powerful. Easily removes graffiti from walls, concrete and broad sections of surface that have been tagged. Our most economical graffiti remover.

ERASE

Citrus base graffiti remover. A safe and very powerful cleaner. Works on paints, inks, crayon, unsightly obscenities from virtually any hard surface. Specially designed to work on street signs without harming the reflectivity.

OUTDOOR - INDUSTRIAL MAINTENANCE

AEROSOL

1084 ERASE - Citrus-base graffiti remover. A safe and very powerful cleaner. Works on paints, inks, crayon, unsightly obscenities from virtually any hard surface.

1008 R.I.P. - Flying & crawling insecticide highly effective against a broad variety of flying, crawling insects.

1041 SUNRISE D.O.A. WASP KILLER. - A very powerful jet spray for flying insect pests, as well as spiders and centipedes, etc.

1078 TALON - Aerosol paint and graffiti-removing compound. Formulated to remove graffiti from traffic control signs, usually without removing their luminescence. **Also available in bulk packaging NO. 2014.**

1020 T-STRIP - Rapid removal of paint and varnish. May be wiped, scraped or washed away with water.

1009 WIPE OFF - Hard-surface graffiti remover will quickly remove paints, inks, crayon, lipstick and other marks.

BULK LIQUID

2118 AERO WET - Organic soil penetrant for professional turf maintenance. Increases the rate and depth of water penetration.

2085 AQUA THERM - Designed as an additive for use in all hot and warm water circulating parts washers. It is ideal for both ferrous and non-ferrous metals. The blending of compounds in AQUA THERM enables it to penetrate the most difficult oil and grease-bearing soils.

2131 ASPHALT RELEASE - Designed for the easy removal of asphalt and concrete forms and evacuation of truck beds. Soy Based.

2027 DISSIPATE - A fast-acting foam-displacement compound for use in all types of applications.

2005 EXCELL II - An emulsifiable, concentrated vegetation killer that provides effective non-selective weed control in non-cropland areas. **Not available in CALIF.**

2149 G-FORCE - Liquid graffiti remover. Designed for use on all surfaces. Citrus compounds make this product easy to work with and cost effective.

2012 PLOW EASE - Increases the efficiency of snow removal equipment, by plating the blades with hard, diamond-like particles. Reduces friction of snow on blade making it easier to move greater volumes of snow. Has the added benefit of a corrosion inhibitor.

2050 PREVENT - Formulated to prevent or thaw ice wherever it is a problem.

2055 SATURATE - Increases the absorption rate and effectiveness of fertilizers. Also reduces run-off agents.

2034 SHADE - A blend of inert dyes to alter water color. For use in industrial ponds, fish ponds, water hazards (golf course), irrigation ponds, decorative ponds, etc. Produces a very pleasing color.

2045 SLIP-STREAM - Asphalt release agent for hard surfaces. Biodegradable and harmless to asphalt. Designed to be used load after load

2052 SUNRISE SELECT - Lawn weed killer. Formulated to selectively eliminate and control most common broadleaf lawn weeds. **Not available in CA.**

2124 SWEET SPOT - Biodegradable Jet Washer System additive. Enhances cleaning, brightening and rinsing of metal and composite parts.

2033 TAG MASTER - Compound designed to resist penetration of graffiti on virtually any surface that graffiti is found.

2090 TERRA-BIND - Environmentally safe, highly effective dust control treatment. Use where any dust problems exist: roadways, construction sites, landfills, etc.

2128 TOP SEAL - A new polymer-based, water emulsion asphalt coating that exceeds old fashion coatings in both convenience of use and durability.

BULK DRY

4006 BAN ICE - Ice thawing compound. Fantastic granulated formula for quick removal of snow and ice.

4035 CHAMELION - The ultimate choice for all types of cleaning. Cost effective and powerful. Simply dilution rates and packaging make this product a no-brainer for anyone.

4027 COUNTERACT - Acid-caustic neutralizer. A highly effective material designed to neutralize chemical spills involving acids and alkaline products.

4024 DISINTEGRATE - A scientific blend of enzymes and bacteria for effective sewage digestion.

4026 F.F. EJ-1 - Extra-high-strength Jet Washing compound. Use with all ferrous and non-ferrous metals. Quickly degreases metal parts.

4001 HOT LINE - Sewer cleaning compound designed for removal of major blockages in sewer lines and laterals. Granular, activated by water.

4022 METEOR - A safe non-alkaline "hot tank" cleaner. This stripping agent cleans non-ferrous metals of grease, paint, carbon and grime.

4023 NITRO - The premium, extra-strength "hot tank" cleaning compound. Super-hot for the most stubborn cleaning jobs on ferrous metals.

4025 NOSRE-D.N.A. - Highly concentrated blend of compounds engineered to strip and degrease ferrous metal parts. This formula provides reduced incidence of nozzle blockage.

4015 PATCH ALL - Asphalt-patching compound. A material designed to patch holes in asphalt, concrete, brick, stone or wood.

4034 PURGE - Lift station purgative. Attacks the build-up of deposits that are unique to lift stations.

4000 SEAL COAT - Tar-base plastic roof cement. A sealer and crack filler for patching.

4007 STD-1000 - A blend of enzymes and bacteria for digesting sewage. Will not attack metals, plastic or porcelain.

4003 STRONG ARM - Designed for cleaning concrete floors. Extra heavy-duty for the most stubborn soils.

4016 SWEEP EASE - A blended floor-sweeping compound. Inhibits dust, thus facilitating more efficient cleaning.

4014 THERMO DIP - A "dip tank" cleaner, for use on all ferrous metals. Cleans grease, carbon, paint, and soils in "hot tank" applications.

4005 TRITEX - A self-bonding, permanent patch. Mixes and cleans up with water.

4017 SPIL-SORB - Absorbent cleaner. Spread on oil, fuels, grease or other liquid spills and sweep-up.

SPECIALTY PACKAGING

4020 TAGGERS - The latest containerized towel from **SUNRISE**. These amazing towels are impregnated with a graffiti-removing formulation of solvents and detergents.

Did you know... Sunrise's website allows you to download MSDS's and Technical Data Sheets of Sunrise products with a click of your mouse?

JANITORIAL

AEROSOL

1090 BRIGHT SPOT - Unrivaled as a fast, easy-to-use cleaner for removing dust, dirt or other light soils from hard surfaces.

1032 DAZZLE PLUS - A fast-foaming glass cleaner formulation that clings to vertical surfaces. Highly concentrated to clean grease and grime quickly. **NOT AVAILABLE FOR SALE IN CALIFORNIA.**

1036 DIAMONDS - A California VOC compatible glass cleaner. New formula meets stringent air quality standards.

1062 GLEAMS - A carnauba-based fine furniture polish. The ultimate blend of waxes and emollients combined to clean and protect.

1100 LIFT-OFF - Fast-acting, easy to use spot lifter for carpets, upholstery, draperies and virtually all soft surfaces where spot removal is desired.

1101 MARK V - A superior mark remover for linoleum, asphalt tile, asbestos tile and terrazzo floors.

1035 METAL MAGIC - An excellent cleaner for stainless steel, copper, chromium and aluminum. No rubbing or scraping necessary. Leaves a protective coating.

1037 PACEMAKER - Multi-purpose cleaner for bathroom fixtures, shower stalls, table tops, vinyl, painted and enameled surfaces, Formica, stainless steel, woodwork, exhaust fans and other smooth, washable surfaces.

1058 QUICK DRAW - Spill, spot and blemish remover. Designed for high speed application and removal of most carpet and upholstery spills and blemishes. Unique actuating system allows inverted application.

1010 RESTORE - Designed to clean, restore and preserve wood paneling and furniture in one easy application. **NOT AVAILABLE FOR SALE IN CALIFORNIA.**

1014 SHEEN - Multi-purpose lemon oil polish and cleaner for furniture, paneling, porcelain, stainless steel, leather, chrome, enamel, marble and metals.

1018 SUNRISE TOTAL SPRAY DISINFECTANT Use to disinfect urinals, toilet seats, wash basins, showers, telephones, diaper pails, lockers, almost any hard surface that needs disinfecting. Kills HIV-1 (Aids virus) on pre-cleaned environmental surfaces/objects previously soiled with blood and body fluids.

BULK LIQUID

2035 ACRILAX - A metal, cross-link, tri-polymer floor finish. Extremely hard finish, for use where no buffing is desired. High gloss but not slippery.

2018 ANNIHILATE - No rinse quaternary disinfectant. Ideal for cleaning bathrooms, kitchens and industrial applications.

2040 DAZZLE - Designed to quickly clean all glass surfaces. Highly concentrated for maximum dilution rates and economy.

2129 DEEP SEAL - Acrylic undercoat and sealer for tile, vinyl, concrete, linoleum and rubber floors. Seals surfaces so floor finishes and waxes adhere better.

2111 DIAMOND BRITE - The finest polymer floor finish available. Will withstand heavy traffic. Shows a superior shine. Can be buffed but is not necessary.

2112 DURAWEAR - Self-polishing floor finish for all types of flooring. Tough, protective, acrylic polymer formulation.

2054 NEW BRITE - A highly effective rug and carpet shampoo. Concentrated for optimum dilution rates and greatest economy.

23 PICKUP - Liquid, dust mop treatment. Treated mop removes dirt and dust without streaking.

2135 PRIME - Bathtub, sink and shower cleaner. Removes soap build-up, light mildew, hard water scale and associated soils. Ideal after shower maintenance spray.

2064 QUASAR - Tri-ammoniated glass cleaner. For quick cleaning of windows and mirrors. Highly concentrated for economical dilution rates.

2075 WHITE 'N' BRITE - A concentrated liquid chlorine bleach. For institutional use.

2043 SUNRISE PHASE PHIVE - "One-Step" cleaner - disinfectant - sanitizer - fungicide - mildewstat - virucide in the presence of moderate amounts of organic soil.

2121 ROBUST - Copolymer floor finish. Leaves a beautiful, hard sheen without buffing, or you may buff if desired for the highest gloss shine.

2025 ULTIMATE - Carpet extractor and steam cleaner shampoo. Contains brighteners, cleaners and an odor counteractant. Biodegradable, dilutable concentrate.

2087 WHIRLWIND - Spot cleaner for carpet, drapes, upholstery and other fabric surfaces. Leaves a very minimum of detergent residue. **AVAILABLE IN QUARTS.**

BULK DRY

4002 BRITE WASH - Granular laundry detergent. Lifts out and floats away tough soils and grime, yet is safe to any washable fabric.

3004 SUNRISE BLITZ - A granular drain opening system. Formulated for heavy-duty jobs. Will not harm plastics or other drain components.

SPECIALTY PACKAGING

4009 KRYSTAL KING - A ready-to-use glass, chrome and tile wipe, pre-moistened in their own handy, portable, pull-up container.

4031 GLARE - A pre-treated metal polishing rag. Cleans stainless-steel, aluminum, and other metals.

4033 REMEDEZE - Limited disinfectant, ready-to-use towel wipe.

KRYSTAL ICE

1067 KRYSTAL ICE - Glass cleaner, developed to provide the market with the most advanced technology in glass, chrome and porcelain cleaning. Simple to use and will not cause streaking. Also available in bulk packaging, No. 2110.

OVEN MAGIC

OVEN MAGIC is safe to use on porcelain and chrome oven surfaces, glass, ceramics, stainless steel and cast iron. Aggressively attacks baked on food and grease. Reduces scrubbing and increases cleanliness. Also available in bulk packaging, No. 2114.

LUBRICANTS

AEROSOL

1068 ALL FREE II - This penetrant will free rusty, corroded threads and moving parts. Lubricates and helps prevent rust. Unique actuator allows spraying from any angle, including upside down. Also available in bulk packaging as **Also available in bulk packaging, NO. 2036.**

1096 BOLTZ - The newest most advanced penetrating lubricant available. Penetrates quicker and more efficiently than other penetrants. Formulated with moly for extra lubrication and lithium for effectiveness under heat.

1109 BULLS EYE - FOOD-GRADE silicone lubricant. Premium quality silicone designed for long-lasting lubrication and reduction of friction on food processing equipment.

1019 CHILLS - Designed for the cooling of bits, blades, taps and dies in all mechanical applications. The blending of highly evaporative solvents create a chilling effect on the target work surface as well as the tool itself.

1011 CYCLONE - A lubricating/penetrating compound with Teflon (a registered Trademark of the Dupont Corporation).

1052 ENDURO-LUBE - Semi-fluid lubricant with anti-seizing properties. Contains micro-metals which provide excellent cohesion and adhesion properties, making this a superior lubricant in metal-to-metal application.

1022 FOUR WAY - Specifically formulated for the lubrication, maintenance and protection of equipment in municipal highway and street maintenance departments.

1026 GEAR & WIRE LUBE - This product is formulated to withstand high pressure and friction without displacement. For use on chains, cables, ski lifts and heavy equipment.

1097 GLIDE - The most sophisticated lubricant on the market today. This precision blend of synthetic compounds provides superior lubrication qualities at extreme temperature ranges.

1077 HURRICANE - SUNRISE introduces its newest technology in lubricants. **HURRICANE** is made with a blend of TEFLON® and "Banana Oil". These two components together make **HURRICANE** the most effective lubricant and penetrating compound on the market today.

1053 KWIK KUT - Cools, lubricates and reduces friction during threading, drilling and tapping operations.

1013 LITHON - Multi-purpose, white lithium grease, in aerosol for ease of application. Long lasting protection than oil-base formulas.

1050 LUBRA 2000 - Utilizes multiple heavy micro-metals to provide extremely heavy-duty lubrication and heat protection.

1055 LUBRON - A truly multi-purpose lubricant, penetrant, rust preventative. Leaves a tough lubricating film of protective grease. **Also available in bulk packaging No. 2068.**

1034 MAGIC GLIDE - A non-staining, siliconized lubricant. Penetrates deeply eliminating sticking and annoying squeaks. Repels water and ice and retards rust and corrosion.

1016 MEGA LUBE - High temperature anti-seize compound. Meets MIL. SPEC. A-907D. Contains molybdenum disulfide. Works at temperatures up to +1050 degrees F. Withstands pressures up to 100,000 lbs. psi.

1075 PURITAN - Multi-purpose, petrolatum/silicone spray. Protects against wear - clear - non-gumming - resists water, resists acid - non-toxic - rust preventative.

1071 SHADOW BLACK - A super-refined lubrication. The refined soap and extreme pressure compounds used in this formulation, allow extended residual lubrication of all components.

1094 RELEASE 230 - Clear shaker lubricant designed to leave a slippery barrier for the protection of the tree and shaker pad.

1110 SNIPER - SNIPER has a unique combination of **FOOD-GRADE** ingredients that markedly reduce surface tension which permits rapid, deep penetration of corroded parts.

1087 SUPER GLIDE - An orange scented siliconized lubricant. Penetrates, eliminating annoying squeaks and protects against corrosion.

1024 TEF-LUBE - Dry lubricant and release agent. Invisible, dry lubricating film works on metal, rubber, wood, paper, glass etc.

BULK LIQUID

2066 LATHEX - Non-petroleum, water-soluble, cutting-cooling oil for metal-working. Designed for the industrial user.

2173 LIGHTNING - Orange scented silicone lubricant. Repels water and ice.

2002 RELEASE 222 - Long lasting clear shaker pad lubricant. Silicone based for maximum efficiency

2076 RELEASE 212 - A liquid silicone lubricant. Penetrates to stop sticking and squeaking. Repels water and ice. Retards rust and corrosion.

2021 SLING GLIDE II - At the forefront of lubrication technology in agricultural industry. Designed to prolong the life of shaker slings, while at the same time protecting the bark on the tree from abrading.

GREASES

4038 ALCO METALUBE - Industry's toughest grease. Resistant to heat, corrosion, chemicals, salt water, & pressure resistant. works to -30 degrees and up to 750 degrees F. Approved by the U.S. Navy.

4004 CRIMSON LUBE - Multi-purpose grease for gears, bearings, pulleys and machinery. Maximum protection under extreme pressure and temperature conditions. Water resistant, adheres in the presence of water.

4041 FG-450 - High-temperature multi-purpose food-grade grease. White lithium based. Authorized by U.S. D.A. incidental contact with food(category H-1).

4042 STIX LUBE - High temperature Molybdenum lithium grease. Special corrosion and oxidation inhibitors.

SPECIALTY ITEMS

AEROSOL

- 1002 ALUMA PLATE** - Heat resistant enamel coating.
- 1005 CODE ORANGE** - Inverted marking paint. Formulated for high visibility.
- 1003 GUARD** - A highly flexible coating. Will not crack or peel. Hundreds of uses.
- 1027 INSECT REPELLANT** - This fine product was developed to repel annoying insects such as mosquitoes, chiggers, gnats, ticks, flies and fleas.
- 1064 MICRON 8** - Cleans and protects video display terminals and most other glass and plexiglass surfaces or screens.
- 1076 RECOIL** - High-density, foaming cleaning compound. Ideal cleaner for refrigeration units and compressor vanes in air conditioners and heat exchangers.
- 1006 PRO EXTERMINATOR** - Total release fogger with insect growth regulator. Used to treat enclosed areas. Kills most insect pests.
- 1069 SIDEKICK** - Mousse leather cleaner and conditioner. Ideal replacement for any saddle soap.
- 1057 SPATTER OFF** - For welding, Prevents hot metal spatter from sticking to adjacent areas of the workpiece.
- 1079 STEEL KOTE** - A super tough coating containing pure stainless steel pigment in an ultra durable epoxy ester resin.
- 1093 TROUBLE SHOOTER** - Concrete and hard-surface cleaner. This fast-breaking, foaming solvent is a must for all shop and maintenance operations.
- 1102 VANGUARD** - Surface rejuvenator and protectant. Contains acrylic polymers, anti-oxidants and silicone to provide a protective coating on any surface.

BULK LIQUID

- 2116 AQUA CLEAR** - Water treatment for low temperature systems. Chemically engineered to prevent the build-up of hard water minerals and rust in chilled water systems, towers or evaporative coolers.
- 2081 CRISP** - A "state-of-the-art" crop-washing formula. Designed for the vegetable packing trade.
- 2051 EXTEND** - Non-toxic tank protector, tasteless and colorless. Impregnates metal vessel walls, leaving a protective coating that prevents corrosion.
- 2130 FLASHPHALT** - Soy-based tar and asphalt remover. Extremely effective and assures environmental compliance.
- 2069 GLAZE** - A hermetic sealing compound. This chlorinated rubber epoxy will treat and protect any surface composed of sand, cement and water.
- 2134 MILLENNIUM 212** - Water treatment for high temperature systems. Unique highly concentrated product is formulated to reduce and inhibit rusting, lime deposits and build-up of other corrosive solids that reduce the efficiencies of high temperature systems.
- 2112 PYROX-A** - Concentrated liquid, designed for use in fighting all "CLASS A" fires. The unique blend of surfactants and foam stabilizing compounds makes PYROX-A superior for use in not only foam-generating equipment but also standard nozzle and aerial applications.
- 2105 THRUSTER** - Chemically neutralizes rust and leaves a long-term preventative coating in its place.
- 2117 WATER PLUS** - Developed to increase the effectiveness of water in fighting fires where maximum penetration is needed.

BULK DRY

- 4008 CHUCK-IT** - Absorbent germicidal for vomitus or other liquid spills.

PRETREATED RAGS

SUNRISE'S RAGS ARE PRETREATED, TOUGH, CONVENIENT AND POWERFUL. PACKAGED IN A EASY-TO-CARRY BUCKET THESE RAGS CAN GO ANYWHERE!

4031 GLARE - A pre-treated metal polishing rag. Cleans stainless-steel, aluminum, and other metals.

4009 KRYSTAL KING - A ready-to-use glass, chrome and tile wipe, pre-moistened in their own handy, portable, pull-up container.

4032 PREEN - Sunrise's amazing Enhance/Armor Guard in a handy, disposable towel. Treats rubber, vinyl and other hard and soft surfaces.

4019 RAG TIME - All-purpose, heavy duty industrial wipe. New concept in hand and tool cleaning, designed for automotive and mechanical technicians.

4033 REMEDEZE - Limited disinfectant, ready-to-use towel wipe. Perfect for use in hospitals, schools, offices and anywhere bacteria and viruses are a concern.

4020 TAGGERS - The latest containerized towel from **SUNRISE**. These amazing towels are impregnated with a graffiti-removing formulation of solvents and detergents.

4021 ZAPPERS - All purpose wipe, for cleaning hands tools and many other items. Packaged in a small, easily transportable container.

SUNRISE PUMPS

EZI ACTION - 35 & 55 GAL

THIS HEAVY DUTY PUMP HAS BEEN DESIGNED TO PUMP A WIDE RANGE OF LIQUID PRODUCTS AND CHEMICALS. *NOT FOR SOLVENTS OR GASOLINE.*

SIPHON PUMP - 35 & 55 GAL

THIS PUMP IS ECONOMICAL AND DURABLE, SUITABLE FOR SEVERAL LIQUIDS. OIL-PROOF, ACID-PROOF, COLD PROOF

BECKSON - 6, 15, 20, 35, 55

FOR USE WITH ACID & ALKALINE LIQUIDS. FITS MOST STANDARD CONTAINERS. HIGHLY DURABLE FOR EXTENDED USE.

ADJUSTABLE - 5, 6, 15, 35, 55 GAL

FITS MOST 15, 35 OR 55 GAL DRUMS WITH EITHER 3/4" OR 2" FEMALE OPENINGS. 5 & 6 GAL PAIL ADAPTER. 2, 4 OR 6 OZ. PER STROKE W/ ADJUST CLAMP

SIPHON PUMP - 6 GAL

MADE OF POLYETHYLENE THAT WILL NOT RUST. USE TO TRANSFER WATER AND OIL BASED CHEMICALS. COVENIENT AND EASY TO USE.

1 OZ. METERING PUMP - 1 GAL

FITS MOST GALLON SIZE BOTTLES. METERED DOSE W/ EVERY PUMP. COVENIENT & DURABLE.

CONTAINER OPTIONS

Sunrise offers a range of containers to fit your bulk liquid needs:

20 GALLON DRUM
35 GALLON DRUM
55 GALLON DRUM

5 GALLON
"HEDPACK"
(WITH SPIGOT)

SINGLE GALLON

6 GALLON PAIL

275 GALLON MAG-PACK

ALEMITE LUBRICATION EQUIPMENT

We are a proud distribution partner of Alemite Lubrication equipment and accessories. From grease guns to pumps, Alemite has been the premier manufacturer of lubrication supplies for nearly a century. Ask your Sunrise representative about Alemite's powerful cordless grease gun.

Hydro Proportioning Systems

Streamline dispensers in stainless steel cabinets are the industry's preferred equipment for dispensing a wide variety of automatically diluted solutions into spray bottles, buckets, auto scrubbers or other containers at the touch of a button. Saves money, mess and time. Available in 1,2,3 and 4 bays dispensers.

SUNRISE now offers an entire line of GREEN SEAL certified products. From degreasers to glass cleaners we can provide you with the products you need to keep your facility green and clean.

- MULTIPURPOSE CLEANER
- GLASS CLEANER - HAND SOAPS
- HYDROGEN PEROXIDE CLEANER - FLOOR WAXES AND STRIPPERS

SURE SHOT SPRAYERS

Sure Shot® sprayers are an inexpensive way to apply bulk chemicals like cleaners, degreasers, penetrating oils, solvents and lubricants. They use readily available compressed air, instead of flammable and/or dangerous propellants, and because they are reusable you don't have to worry about disposal of empty cans.

ALL-STAR...

NEWEST HAND CLEANING FORMULA FROM **SUNRISE**. HAS PLASTIC BEADS AND INTERMEDIATE GRIT FOR ABRASIVE CLEANING ABILITY. LET **ALL-STAR** GO TO BAT FOR ALL OF YOUR HAND CLEANING NEEDS.

BARRIER...

THE INVISIBLE GLOVE FOR RAPID AND EASY PROTECTION AGAINST GRIT, GRIME, PAINTS AND OTHER SOILS. THIS AMAZING COMPOUND IS AN EASY-TO-APPLY FORMULA THAT GOES ON AS A LOTION AND DRIES TO A FLEXIBLE, NON-STICKY MEMBRANE.

COCO SOAP...

THIS LIGHT-TO-MEDIUM-DUTY HAND CLEANER IS OUTSTANDING FOR USE IN RESTROOMS, CAFETERIAS, AND WASHROOMS. THE COCONUT AMINE SOAPS IN THIS PRODUCT PROVIDE EXCELLENT CLEANING AND SOIL REMOVAL BUT AT THE SAME TIME LEAVE HANDS SOFT AND PLIABLE.

CON-SEPT I...

THE OPTIMUM IN ANTISEPTIC SOAP COMPOUNDS, DESIGNED TO NOT ONLY RID HANDS OF COMMON SOILS BUT ALSO LEAVE THEM SANITIZED AND FRESH. **CON-SEPT I** IS INTENDED FOR USE IN FOOD PROCESSING ESTABLISHMENTS, EMT AND MEDICAL ENVIRONMENTS, NURSING HOMES, SCHOOLS AND OFFICES. THE USE OF THIS PRODUCT WILL HELP MEET OSHA AND APIC STANDARDS AS WELL AS PROTOCOL FOR HEALTHCARE PERSONNEL HANDWASH.

CRUNCHTIME...

EXTRA FINE WALNUTSHELLS ARE COMBINED WITH SUNRISE'S SPECIAL BLEND OF EMOLLIENTS AND SOAPS TO CREATE A HEAVY MEDIUM TO HEAVY DUTY CLEANER THAT WILL TACKLE THE TOUGH JOBS WITHOUT CREATING DRY AND CRACKED HANDS

DERMISAN...

TODAY'S SOCIAL CLIMATE REQUIRES THIS ADVANCED PROTECTION COMPOUND. THIS AMAZING NEW SANITIZING FORMULA IS DESIGNED TO BE USED WHEREVER WATER IS NOT IMMEDIATELY AVAILABLE. IDEAL FOR MEDICAL, POLICE, FIRE AND ALL SOCIAL CONTACT PERSONNEL. HELPS MEET OSHA AND APIC STANDARDS AS WELL AS PROTOCOL FOR HEALTHCARE PERSONNEL HANDWASH.

DETONATE...

A MEDIUM DUTY HAND CLEANER THAT USES THE POWER OF POLYETHYLENE BEADS TO REMOVE GREASE AND GRIME FROM DIRTY HANDS. GREAT SCENT AND EASY APPLICATION MAKE THIS HAND CLEANER A MUST HAVE.

**THE "HANDS ON" SYSTEM
A COMPLETE
HAND TREATMENT
PROGRAM**

GRAND SLAM...

REMOVES DEEP-DOWN KNUCKLE GREASE AND GRIME. FORMULATED EXCLUSIVELY FOR INDUSTRIAL AND MUNICIPAL APPLICATIONS. **GRAND SLAM** IS DESIGNED TO PENETRATE QUICKLY, AND MELT DIRT FROM DEEP SKIN AREAS. **GRAND SLAM** ALSO CONTAINS EMOLLIENTS WHICH LEAVE SKIN FEELING SOFT AND THOROUGHLY CLEAN.

GRIND...

NOT FOR WOMEN AND CHILDREN, THIS RADICAL CLEANING FORMULA IS DESIGNED FOR GORILLAS, WEREWOLVES AND BAD MEN. WE HAVE GIVEN THIS HEAVY-TO-HYPER-DISASTER-DUTY PRODUCT A SLUG OF "CUT DIAMOND" TYPE ABRASIVE THAT WILL BRING THE FAINT-OF-HEART TO THEIR KNEES. **GRIND** IS THE PREMIERE HYPER-DUTY CHOICE FOR THE TOUGHEST HAND CLEANING CHORES.

HANDS ON...

AN INDUSTRIAL STRENGTH HAND AND BODY LOTION DESIGNED FOR MEN AND WOMEN EXPOSED TO MORE CHALLENGING WORK SITUATIONS. USE AFTER ALL WASHING TO RESTORE NATURAL SKIN OILS. USE **HANDS ON** AFTER SHOWERS AS A FULL BODY TREATMENT.

MR. PAIN...

MAXIMUM-DUTY HAND CLEANER. **MR. PAIN** IS THE MOST ABRASIVE HAND-CLEANING SYSTEM ON THE MARKET TODAY. **MR. PAIN** IS NOT DESIGNED FOR EVERYONE DUE TO ITS EXTREME ABRASIVE CUTTING ABILITY. SEE IF YOU CAN HANDLE THE RAVAGES AND BRUTALITY OF **MR. PAIN**.

ORANGE RUSH...

THE FORERUNNER IN HAND AND BODY SHAMPOOS, THIS HIGH-SUDSING DETERGENT IS THE KEYSTONE IN ANY FULL-BODY CLEANSING PROGRAM. THE SPECIAL CHARACTERISTICS OF **ORANGE RUSH** PROVIDE MAXIMUM CLEANSING OF PERSPIRATION AND BODY OILS. A MUST FOR ALL ATHLETIC CLUBS, SCHOOLS AND FIRE DEPARTMENTS.

2.4 LITRE 10-PACK & DISPENSER

AEROSOL CASES

PLASTIC PINT CASES

PUMP DISPENSER (GALLON OR 7 OZ.)

BULK GALLONS, PAILS AND DRUMS

1 GALLON TUB

SPECIAL USE

LIGHT TO MEDIUM DUTY

MEDIUM TO HEAVY DUTY

HEAVY DUTY

PIT STOP...

THIS QUALITY FORMULA IS DESIGNED FOR MEDIUM-TO-HEAVY-DUTY HAND CLEANING REQUIREMENTS. THIS WORKHORSE IN **S.E.S.'s** LIQUID DISPENSED ARRAY IS A VITAL ASSET TO MECHANIC SHOPS, HIGH SCHOOL AUTO SHOPS, FLEET SERVICES AND AIRLINE TECH SHOPS.

POWERSHOT...

POWER SHOT WAS FORMULATED WITH A UNIQUE ABRASIVE. POLYETHYLENE BEADS PENETRATE GROUND-IN GREASE AND GRIME WITHOUT A HARSH ABRASIVE. POWER SHOT ALSO CONTAINS EMOLLIENTS WHICH LEAVE SKIN FEELING SOFT AND THOROUGHLY CLEAN.

PURE SAN ...

SUNRISE'S NEWEST SANITIZING AND DISINFECTING PRODUCT IS ACTUALLY A MOUSSE LOTION THAT FIGHTS GERMS WHILE LEAVING YOUR HANDS MOIST AND SMELLING PLEASANT!

RAZOR ...

POWDERED, ABRASIVE HAND CLEANER DESIGNED TO WORK ON CONTACT WITH WATER. MICRO-ABRASIVE REACHES TOUGH PRONE AREAS TO GREASE AND GRIME.

RED ALERT!...

CONVENIENT SIZE AND FOAMING PUMP MAKE THIS A GREAT OPTION FOR BATHROOMS, KITCHENS AND LUNCHROOMS. A QUICK PUMP OF SOAP AND YOUR HANDS ARE LEFT FEELING AND SMELLING GREAT!

SHELLSHOCK...

REMOVES DEEP DOWN KNUCKLE GREASE AND GRIME. SHELL SHOCK IS DESIGNED TO PENETRATE QUICKLY, AND MELT GREASE FROM DEEP SKIN AREAS. SHELL SHOCK CONTAINS RICH SURFACTANT AND WALNUT SHELL ABRASIVES TO AID IN PENETRATING STUBBORN AREAS WHERE GRIME IS PRONE.

SIDEWINDER...

THE THERMO-SENSITIVE EMULSIFYING COMPOUNDS IN **SIDEWINDER** RESPOND INSTANTLY TO THE HEAT OF THE SKIN. THEY BREAK DOWN FROM THE UNIQUE GEL INTO A LIQUID WHICH LIFTS ALL TYPES OF SOILS QUICKLY AND COMPLETELY. USE **SIDEWINDER** FOR EFFICIENT REMOVAL OF OILS, GREASES, PAINTS, INKS, BRAKE DUST, RESINS, GLUES AND VIRTUALLY ALL TYPES OF SOILS.

SIDEWINDER PLUS...

SAME STATE-OF-THE-ART FORMULATION AS **SIDEWINDER** BUT WITH INTERMEDIATE GRIT ADDED TO MAKE SHORT WORK OF THE MOST STUBBORN SOILS.

TOP GUN...

A CITRUS-BASE, MOUSSE HAND CLEANING SYSTEM DESIGNED FOR MODERATE TO SEVERE SOIL SITUATIONS. **TOP GUN** PROVIDES PORTABILITY FOR USE IN FLEET VEHICLES, CONSTRUCTION SITES AND ON-SITE BENCH USE.
