

KLING

**POWERFUL
NON-CORROSIVE
NON-FLAMMABLE
CLEANING COMPOUND FOR
VERTICAL SURFACES**

KLING has been formulated to save money and effort by reducing the amount of product applied to a vertical surface. Unlike standard degreasers, **KLING** is specifically formulated to adhere to upright surfaces without running. Unique gripping agents allow for increased dwell time and more efficient cleaning. In addition, this product combines powerful components for tackling the toughest jobs, all without corrosive ingredients.

DIRECTIONS: Using a sprayer, apply **KLING** directly to desired surface area. Allow **KLING's** powerful degreasing agents to break down heavy-duty build-up. Additional scrubbing may be required. Rinse thoroughly with water.

FUNCTION

Thick cleaning and degreasing compound.

DESIGNED FOR

General cleaner for vertical hard surfaces, floors, plastics and metals.

FORMULATION

This cleaner contains gripping agents, foaming agents, surfactants and water emulsifiers.

FEATURES & BENEFITS
