

# BLITZ

## GRANULAR DRAIN OPENING SYSTEM

JANITORIAL  
PRODUCTS

**BLITZ** is formulated for heavy-duty jobs and will not harm plastics or other drain components. Never use with acid toilet bowl cleaners, household chemicals or sulfuric acid drain openers before, during or after using this product as eruption, splashing or the release of hazardous gases may occur. Do not transfer to another container. Keep hands and face away from the drain while this product is in use. Keep this product, and solutions of this product, off aluminum utensils, painted surfaces, acrylic and fiberglass bathtubs and basins.

### FEATURES & BENEFITS:

- Sodium hydroxide-** Heat generation.
- Aluminum compounds-** Reactivity and agitation.
- Timed release-** Flows to the obstruction.

### APPLICATIONS:

Unclogging stopped drains as well as preventive maintenance without damaging plastics or drain components.

### DIRECTIONS:

Use only as directed on this label. Any other use may result in serious personal injury or property damage. With cap tightly closed, invert several times before use.

**FOR SMALL DRAINS:** A) Remove drain strainer, if possible. Remove any standing water before using this product. Water in the drain should be cool. B) Remove cap (see above instructions). Keep container away from face and exposed skin at all times. Carefully pour 1 oz. (2 level tablespoons) of product into the drain and securely close container. C) One cup of COLD water should be added to the drain immediately. If the water should boil out of the drain, another cup of COLD water should be added. After 15 minutes, flush drain with COLD water. If drain is still clogged, repeat application. **DO NOT REPEAT AGAIN.**

**FOR FLOOR DRAINS:** Follow same procedure above but increase dosage to 3 oz. and add 3 cups of water. **FOR PREVENTATIVE MAINTENANCE:** Use the dosage as directed above periodically to keep drains running freely.

### CUSTOMERS WHO USED THIS PRODUCT ALSO USED:

### FORMULATION:

This product contains sodium hydroxide aluminum chips, and other materials.

### TARGET ACCOUNTS:

Restaurants, meat packing companies, hospitals, institutions, condos, forest service and schools.

### SPECIAL CAUTIONS:

None.
