

MIRACLE WASH

**AUTO & FLEET
MAINTENANCE**

**Wash and Rinse, Miracle Wash
does the rest!**

SUNRISE labs developed **MIRACLE WASH** to save people time and money when washing cars, trucks, buses, or any fleet vehicle. We also understand the importance of having products that are safe but also effective. **MIRACLE WASH** is a completely neutral product that won't cause any adverse effects from runoff into vegetation, sewers, rivers or ponds. The combination of; detergents, surfactants, water softening compounds and glazing compounds in this product, enables it to remove the toughest grime while at the same time, leave a lustrous glazing on the surface. The economical dilution ability of **MIRACLE WASH** allows the user to benefit with reduced costs and increased profitability. Also prevents water spots and hard water buildup on vehicles.

FEATIRES & BENEFITS:

Dilutable- Reduce costs.

Water softening compounds- Safe for use on all surfaces

Glazing compounds- Leaves a waxy finish.

APPLICATIONS:

This product is designed to remove the toughest of grime and leave a lustrous glaze on the surface.

DIRECTIONS:

HAND WASHING OPERATIONS:

Mix well before dilution. Dilute **MIRACLE WASH** from 350 to 600 parts of water to 1 part of product. Apply with a brush, rag or other washing device, in an agitating motion. Rinse with clear water and dry with soft-nap rag. Results of any washing operation are best if conducted out of direct sunlight.

FORMULATION:

Detergents, surfactants, water softening compounds, and glazing compounds.

TARGET ACCOUNTS:

Car washes, fire departments, bus garages, truck garages.

SPECIAL CAUTIONS:

None.

**PACKAGING
