

WHIRLWIND
CARPET
SPOTTER

This new product is designed to leave minimum detergent residues in carpet and upholstery applications, and to minimize the spotting or mottling of surfaces that are, spot cleaned with it. Full strength cleaner may be used sparingly on carpets and upholstery to instantly remove spots and stains of all kinds. The use of full strength product greatly speeds cleaning and limits the amount of feathering and the cleaning of adjacent areas to achieve a non-spotted or "feathered" look. Expect full strength product to instantly penetrate, disperse, and evaporate for quick cleaning.

FEATURES & BENEFITS:

- Dilutable-** Economically sound.
- Stronger detergent load-** Attacks more persistent soils.
- Optical brighteners-** Enhanced brightness.

APPLICATIONS:

This product is designed to leave minimum detergent residues in carpet and upholstery applications, and to minimize the spotting or mottling of surfaces that are cleaned with it.

DIRECTIONS:

Pre-treat inconspicuous area for color fastness. A dilution of 3:1 is recommended for heavy soil or stubborn spots on upholstery and carpets. A dilution of 7:1 is recommended for touch up or very light cleaning.

CUSTOMERS WHO USED THIS PRODUCT ALSO USED:

FORMULATION:

A complex mixture with a very high level of Glycol Ether for quick soil removal. Special non-foaming surfactant and chelating agents avoid soap build up on carpet and reduce slippery conditions on treated areas.

TARGET ACCOUNTS:

Motels, convention centers, malls, custodial businesses, municipal building departments.

SPECIAL CAUTIONS:

Avoid contact with eyes. Avoid prolonged contact with skin.
