

CLEAN BREEZE

AIR FRESHENER

ODOR CONTROL

SUNRISE' CLEAN BREEZE is at the forefront of air reodorizing compounds. This High-Tech "DRY" formulation provides the ultimate in freshening, persistence and cleanliness. **CLEAN BREEZE** is not a mask, it is a neutralizer. **CLEAN BREEZE** is packaged with a unique valve that allows either intermittent spray or total can evacuation for "fogging". Which covers 8,000 cu. ft. of foul odors. This product is a must for all types of odor problems.

FEATURES & BENEFITS:

Dry compound- Leaves no annoying residue.
Reodorizing compounds- Leaves a clean, fresh fragrance.

APPLICATIONS:

Fire and Smoke, Nitrogenous Odors, Sickness Odors, Sulphurous Odors, Cigar and Cigarette, Kitchen Odors, Animal Waste and Decay. Hospitals and Nursing-Homes-Kennels-Airplanes-Farm Buildings-Rest Rooms-Locker Rooms-Conference Rooms-Auditoriums.

DIRECTIONS:

Point away from face. Spray **CLEAN BREEZE** using sweeping motion throughout target area. For more severe problem environments, mist **CLEAN BREEZE** directly over furniture, draperies, bedspreads, etc. For use as a fogger, press valve down until locked into place. Set activated can on layer of paper in center of area. Leave area for at least one hour. Before use, shut off fans, air conditioner, flames and pilot lights. Close doors and windows. Removal of source of odor insures best performance. **NOTE:** Cover exposed food and food utensils. For intermittent spraying, gently press down on actuator. Pre-test any fabrics for color fastness, in an inconspicuous area.

PACKAGING AVAILABILITY:
Aerosol 8oz.
