

# POWER PLUS

## AMMONIATED FLOOR FINISH STRIPPER

JANITORIAL  
PRODUCTS

**POWER PLUS** has been designed for today's new, more durable polymer finishes. It unlocks those cross linked polymers to provide easy stripping. **POWER PLUS** has many other uses as well, cleans soap scum in showers, degreases metal surfaces, concrete floors, walls, grills, fans, etc.

### FEATURES & BENEFITS:

**Ammoniated-** Breaks metal cross linked polymers.

**Dilutable-** More economical to use.

**High surfactant load-** Greater wetting qualities.

### APPLICATIONS:

Specially designed for stripping waxes and finishes from linoleum, concrete, ceramics, terrazzo, wood, tile, etc.

### DIRECTIONS:

Dilute **POWER PLUS** with one part product to 2 parts water. Liberally spray, mop or sponge onto surface to be treated. Let sit 10 minutes, scrub with stripping pad or available appliance. Mop up surface - spot strip if necessary. Flood with clean rinse water, mop up surface, gives truly professional results.

### CUSTOMERS WHO USED THIS PRODUCT ALSO USED:
