

ENHANCE

PROTECTS AND REJUVENATES IN ONE EASY STEP

Here is the first system designed and dedicated to the total protection and rejuvenation of vinyl, plastic, rubber, leather, chrome, and most painted surfaces. Not only does it restore and create a beautiful cosmetic effect, but it also serves as a functional barrier against the harmful effects of age, elements and general wear and tear. In addition, all of these benefits are delivered in the convenience and ease of a "one-step aerosol application".

FEATURES & BENEFITS:

Silicone blend - Restores natural lustre.

Sun block - Inhibits ultra violet rays.

Fine oil additives - Adds suppleness to vinyl, rubbers and leathers.

APPLICATIONS:

All areas where weathering dries-out or fades material. This product protects against vandal marks, restores vinyl, leather, plastic, fiberglass, wood, tire sidewalls, dashboards, etc.

DIRECTIONS:

Best results are achieved by first cleaning and thoroughly drying the surface needing treatment. Then, simply spray on surface and wipe with a soft dry cloth to remove excess product and buff to the desired sheen. Reapply as needed.
