

ELIMINATE

GRANULAR ODOR CONTROL

**ODOR
CONTROL**

SUNRISE' ELIMINATE is a tremendous odor inhibitor. It has been formulated for use in garbage cans, trucks, dumps, leach fields, drain beds, sludge drying beds, sea-food waste dumps, cigarette urns, kennels, locker rooms, incinerators, sewer manholes, trash cans, barns, or wherever odors are a problem. A light sprinkling of **ELIMINATE** will handle most odor problems.

FEATURES & BENEFITS:

Industrial strength- Handles severe problems.
Biodegradable medium- Environmentally sound.
Longer residual- More economical to use.

APPLICATIONS:

Economical control of odors in garbage cans, trucks, dumps, leach fields, drain beds, sludge drying beds, or wherever odors occur.

DIRECTIONS:

For general use, sprinkle **ELIMINATE** on or near specific problem area. Repeat periodically to keep area fresh. For cigarette urns, use full strength or mix with sand. **ELIMINATE** will keep the urn smelling clean as well as act as a room deodorant. For trash cans, simply sprinkle into a can periodically to keep rooms fresh.
