

TOMAHAWK

PHOSPHORIC FLEET WASHING COMPOUND
COMPUESTO LAVADO FOSFORICO DE FLOTA

TOMAHAWK is designed for the removal of road film; mineral deposits and hard water build up. **TOMAHAWK** is ideal for removing concrete and residue from fleet vehicles and ready-mix trucks. Once applied, it leaves a clean and radiant shine on most surfaces.

DIRECTIONS

• WEAR PROTECTIVE EQUIPMENT •

Face shield, chemical resistant gloves, apron and boots.

Test in an inconspicuous area before use. **(When diluting, always add this product to water, NOT water to product.)** Avoid splashing of product. For cleaning trucks and vans, one part product should be diluted with twenty parts of water. Heavily soiled areas may require a stronger dilution. Apply from the bottom and work your way up. **TOMAHAWK** may be either brushed or sprayed onto the surface and allowed to dwell until foaming occurs. Rinse with water and re-apply as needed. For drums on cement trucks and cabs, test at one part product to forty parts water and increase strength gradually.

TOMAHAWK

PHOSPHORIC FLEET WASHING COMPOUND

CAUTIONS

Contains caustic and/or strongly alkaline substances, harmful or fatal if swallowed. Avoid contact with eyes, skin and clothing. Prolonged or repeated contact may cause dermatitis in sensitive individuals. Protective equipment recommended. Gloves, apron and goggles recommended. Do not ingest. If ingested drink large quantities of potable water. Do not induce vomiting. Never give anything by mouth to an unconscious person. Use ventilation adequate to prevent, cough, hoarseness, or irritation. OSHA approved respirator recommended. If eyes are contacted, flush with water for at least 15 minutes. See a physician immediately. If skin is contacted, wash off with soap and water. Do not apply ointments until a physician is consulted. Clothing that is contaminated should be removed immediately. Flush with large amounts of water. Wash in an automatic machine before wearing again. Dispose of empty container in accordance with local regulations. Consult Safety Data Sheet for additional information.

INGREDIENTS

*Phosphoric Acid 7664-38-2, Citric Acid 77-92-9, Dodecylbenzene 27176-87-0

HAZARDS IDENTIFICATION

Signal Word: **WARNING**
