

QUICK KLEEN

**NON-FLAMMABLE
FILM-FREE
SPOTLESS * SAFE**

**WATER-BASED
CLEANERS**

SUNRISE' QUICK KLEEN is completely safe for cleaning airplanes, buses, cars and trucks having acrylic, lacquer, enamel, and metallic painted surfaces. Harmless to chrome, aluminum and stainless steel. **QUICK KLEEN** is a concentrated cleaner which effectively removes grease, oil, smudges and road tar at dilutions up to 1 part of **QUICK KLEEN** in 40 parts of water. Use normal rinsing procedures after washing.

FEATURES & BENEFITS:

High alkalinity- Superior grease cutting ability.
Anti-clog compounds- Reduced mineral build-up.
Highly concentrated- More economical to use.

APPLICATIONS:

Quick removal of stains and pre-spot treatment. Prior to washing.

DIRECTIONS:

For best results the water temperature should be at least 135°F. Lower temperature may require a stronger solution to produce desired results. When using a portable or pressure spray washer use one part **QUICK KLEEN** in 20 parts of water. For heavy duty general cleaning use 1 part of **QUICK KLEEN** in 20 part of hot water. For light duty general cleaning use 1 part **QUICK KLEEN** with up to 40 parts of hot water.
