## W.O.W. (WITH-OUT-WATER)

PREMIUM WATERLESS HAND CLEANER

limpiador de manos, no se necesita agua

**W.O.W.** is the latest new concept in hand cleaning. **W.O.W.** literally stands for "without water". This unique new hand cleaner is designed to be used where the convenience and portability is most desired. **W.O.W.** makes short work of the most stubborn soils. Combined with the rich emollients, lanolin and grape scent, **W.O.W.** will leave your hands feeling soft and smooth without any annoying residue left behind. Since **W.O.W.** is a true waterless hand cleaner, all you need is a rag present to wipe off your hands.

### DIRECTIONS:

Apply a liberal amount of **W.O.W.** into the palm of your hand and work vigorously until grease and grime is loosened from the surface of skin. Simply wipe hands with a dry towel or rag. Notice how hands are cleaned and moisturized. (Note: This product is designed to be used with or without water.)

Do not ingest. If ingested drink large quantities of potable water. Do not induce vomiting. Never give anything by mouth to an unconscious person. Use ventilation adequate to prevent; cough, hoarseness, or irritation. If eyes are contacted, flush with water for at least 15 minutes. See a physician immediately. Clothing that is contaminated should be removed immediately. Flush with large amounts of water. Wash in an automatic machine before wearing again. Dispose of empty container in accordance with local regulations. Consult Safety Data Sheet for additional information.
