

RT2

ALL PURPOSE CLEANING INDUSTRIAL WIPE LIMPIEZA MULTIUSO TOALLITA INDUSTRIAL

This amazing new concept in cleaning is the result of extensive research into the demands of industry. The entire contents of this bucket are biodegradable, including the wipe itself. The innovative formula which impregnates these powerful wipes allows for the toughest cleaning jobs yet is buffered to use on less demanding tasks. RT2 wipes can be used across your facility for general purpose cleaning. The portability of these scrubs makes them the item of choice for all types of businesses.

DIRECTIONS

1. Access your RT2 wipes through the opening located on top of the pail.
2. Flip-open the lid to allow easy removal of wipes.
3. Pull up on wipe and gently pull at a slight angle. This will tear the wipe at its perforation, allowing access to the next wipe. Clean desired surface. A potable water rinse is required when the product is used in a food processing facility.

Sunrise Tip - If your wipes need to be remoisten simply add water into container until desired wetness is achieved.
