DIRECTIONS:

HOUSEKEEPING DEPARTMENTS: In routine cleaning, a small amount of **HONEYMIST** sprayed on rugs and draperies will remove odors and leave rooms sweet scented. After cleaning floors, add 4 ounces of **HONEYMIST** to the rinse water to remove undesirable odors. **GENERAL DEODORIZING:** Spray this fragrant solution into the atmosphere to remove obnoxious odors such as smoke, cooking odors, refuse odors and body odors. Use **HONEYMIST** frequently to keep your premises clean smelling. **FIRE DEPARTMENTS** and Fire Insurance Companies have found **HONEYMIST** to be effective in eliminating odors cause by smoke and fires. **DUMPS AND GARBAGE TRUCKS:** Use **HONEYMIST** undiluted to neutralize foul odors. Spray dump areas, receptacles, cans and conveyors as required to control odors. **KITCHEN:** Spray garbage receptacles periodically with **HONEYMIST** to eliminate foul odors. Cupboards, closets, refrigerators and storage lockers can be given periodic spraying to keep them sweet odored. After spraying with **HONEYMIST**, surfaces which come into contact with food should be thoroughly rinsed with potable water. **BATHROOMS:** After routine cleaning of fixtures spray **HONEYMIST** on toilet bowl, seat, lavatory, tub or shower stall.
