

FORMULA 44-40

CONCRETE FLOOR CLEANER

OUTDOOR
& INDUSTRIAL
MAINTENANCE

FORMULA 44-40 is the ultimate choice for all types of cleaning. **FORMULA 44-40** actually changes color as it works allowing the user to witness the cleaning action right before their eyes. **FORMULA 44-40** was specially developed to cut through the toughest of grease but be user friendly in all environments. The ingredients in **FORMULA 44-40** are perfect for cleaning concrete floors and those tough areas that require an extra heavy-duty cleaner.

FEATURES & BENEFITS:

Magic juice- Color changes to show cleaning action.

Multi-detergent blend- Attacks wider variety of soils.

Granulated form- Ease of application and economy.

APPLICATIONS:

This product has been blended for the easy removal of oil, grease grime and dirt from concrete surfaces.

PACKAGING AVAILABILITY

Granular 50lb
(keg)

PART #4045

DIRECTIONS:

GENERAL CONCRETE CLEANING: 1/2 quart of **FORMULA 44-40** will make 6 gallons of cleaner. Hot water will dissolve the powder more quickly. Stir the solution until all of the powder is dissolved and the solution is greenish-yellow, and then apply the cleaning solution with mop, brush or spray. Agitate the solution into the soil, then hose away with clean water. You may also sprinkle **FORMULA 44-40** on a wet concrete floor. Allow the product to change color. When the product has completely changed color; scrub with a stiff brush, and hose surface with clean water.
