SOLVENT-BASED  
CLEANERS

**Natural Citrus-Based Tar Remover And Biodegradable Degreaser  
Ideal for Environmentally Sensitive Applications**

This product does not contain harsh chemical solvents, petroleum distillates, acetone, glycol ethers, methylene chloride, alcohols, or other synthetic solvents not approved for discharge. Based on citrus distillate and biodegradable detergent-suspending system, it offers the maximum protection for environmentally sensitive applications.

## FEATURES & BENEFITS:

- Citrus-Based** - Environmentally sound.
- Emulsifiable** - Water rinsable.
- Surfactant Builders** - High wetting ability.

## APPLICATIONS:

Fully biodegradable tar and grease remover for environmentally sensitive applications and safety for users. For use in all tar, crude oil, asphalt and general degreasing applications.

## DIRECTIONS:

For grease or tar removal, spray concentrate on work surface. Rub lightly with brush to aid penetration. Flush off product and soil with water. Extreme soil conditions may require repeated application.

## CUSTOMERS WHO USED THIS PRODUCT ALSO USED:

## FORMULATION:

Citrus distillate, penetrating, coupling, suspending agent.

## TARGET ACCOUNTS:

Government and municipal accounts requiring environmentally sound products.

## SPECIAL CAUTIONS:

None
