

**PRETREATED
RAG PRODUCTS**

A ready-to-use glass, chrome and tile wipe

This unique wipe is a revolutionary means to clean all hard surfaces. **KRYSTAL KING** is designed for general institutional usage on all glass, porcelain, tile, chrome, brass, wood, plastic and Formica surfaces. **KRYSTAL KING** is also ideal for the cleaning of computer cases, monitors, and peripheral equipment because you have the reduced risk of not having to spray liquids onto the targeted surface. The amazing blend of compounds which are in the wipe makes **KRYSTAL KING** an extremely effective light to medium-duty cleaning tool. The portability of this outstanding tool makes it ideal for utility vehicles, computer maintenance vehicles, electricians as well as hotel maid carts and general housekeeping personnel.

FEATURES & BENEFITS:

Self-contained - Wipes are saturated with a safe cleaning agent.

Safe - Can be used as a hand wipe or as a cleaning scrub.

Economical - Bucket can be recycled or reused.

APPLICATIONS:

Hard surfaces such as glass, Formica, plastic, and metal surfaces.

DIRECTIONS:

Simply raise protective cap and remove a wipe by pulling gently to the side of the container. Scrub surface with **KRYSTAL KING** wipe and follow with a clean towel-type rag. The versatility of this wipe allows it to be reused after it has dried out. Use them for absorbing minor spills and various light-duty maintenance jobs.
