

EZ-1

PARTS WASHER SOLVENT
PIEZAS SOLVENTE DE AQUA

EZ-1 instantly removes heavy grease and grime. Cleans without mechanical scrubbing. Meets all California codes regarding parts cleaning solvents.

FAST, SAFE, ECONOMICAL, EASY DISPOSAL,
LONG CLEANING LIFE.

Contains no Benzene, it is non-corrosive and leaves no residue. EZ-1 does not affect plastic parts and may be used on aluminum and alloy parts. EZ-1 is non-carcinogenic and does not contain 1,1,1 Trichloroethane, chlorinated or fluorinated solvents and will not deplete the ozone. It is non-conductive to 31,000 volts in its concentrated form. EZ-1 degreases machinery, equipment, engines and other mechanical devices.

DIRECTIONS:

Always pre-test product on an inconspicuous area prior to final application. For best results use at room temperature. Shake well before using. Product should be sprayed in a ventilated area.

CAUTIONS

Contains caustic and/or strongly alkaline substances, harmful or fatal if swallowed. Avoid contact with eyes, skin and clothing. Prolonged or repeated contact may cause dermatitis in sensitive individuals. Protective equipment recommended. Gloves, apron and goggles recommended. Do not ingest. If ingested drink large quantities of potable water. Do not induce vomiting. Never give anything by mouth to an unconscious person. Use ventilation adequate to prevent, cough, hoarseness, or irritation. OSHA approved respirator recommended. If eyes are contacted, flush with water for at least 15 minutes. See a physician immediately. If skin is contacted, wash off with soap and water. Do not apply ointments until a physician is consulted. Clothing that is contaminated should be removed immediately. Flush with large amounts of water. Wash in an automatic machine before wearing again. Dispose of empty container in accordance with local regulations. Consult Safety Data Sheet for additional information.
