NET CONTENTS: 2.2 LBS. (1.0 KG)

**IMPORTANT: READ ENTIRE LABEL CAREFULLY
BEFORE USING. ALWAYS WEAR FACE MASK OR
SAFETY GOGGLES AND RUBBER OR PLASTIC
GLOVES WHEN USING THIS PRODUCT.**

Water should be kept out of the container to prevent eruption or boiling over of contents. Before discarding, ensure that container is completely empty. Replace cap before discarding. Do not incinerate. If spilled, the material should be swept into a dust pan and emptied down a drain. Flush with COLD water only. Store on a high shelf or locked cabinet out of reach of children. Do not use a plunger or pressurized drain opener or cover the drain when using this product. Do not use in toilet bowls, dishwashers, garbage disposers, appliances or in pipes which are directly connected to these devices.

Never use with acid toilet bowl cleaners, household chemicals or sulfuric acid drain openers before, during or after using this product as eruption, splashing or the release of hazardous gases may occur. Do not transfer to another container. Keep hands and face away from the drain while this product is in use. Keep this product and solutions of this product off aluminum utensils, painted surfaces, acrylic and fiberglass bathtubs and basins.

DIRECTIONS FOR USE: Use only as directed on this label. Any other use may result in serious personal injury or property damage. With cap tightly closed, invert several times before use.
FOR SMALL DRAINS: A. Remove drain strainer, if possible. Remove any standing water before using this product. Water in the drain should be cool. B. Remove cap (see above instructions). Keep container away from face and exposed skin at all times. Carefully, pour 1 oz. (2 level tablespoons) of product into the drain and securely close container. If water should boil out of the drain, add a cup of COLD water. After 15 minutes, flush drain with COLD water. For better results, repeat application.
FOR FLOOR DRAINS: Follow same procedure above but increase dosage to 3 oz. and add 3 cups of COLD water.

FOR PREVENTATIVE MAINTENANCE: Use dosage as directed above periodically to keep drains running freely.

PRECAUTIONARY STATEMENTS (GHS-US):

Keep only in original container. Do not breathe dust. Wash hands and forearms thoroughly after handling. Wear eye protection, face protection, protective clothing, protective gloves. If swallowed, rinse mouth. Do NOT induce vomiting.
If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash with plenty of soap and water. If inhaled: Remove person to fresh air and keep comfortable for breathing if in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician. Call a POISON CENTER/doctor/physician if you feel unwell. Take off contaminated clothing and wash before reuse. Absorb spillage to prevent material damage. Store locked up. Store in corrosive resistant container or with a resistant inner liner. Dispose of contents/container in accordance with Local, State, and Federal regulations.

HAZARD STATEMENTS (GHS-US):

May be corrosive to metals. Harmful in contact with skin. Causes severe skin burns and eye damage. Causes serious eye damage.

CONTAINS:

sodium hydroxide, sodium carbonate, aluminum (granular)
