# KRYSTAL KING GLASS, CHROME AND TILE WIPES TOALLITA CROMADAS PARA VIDRIO Y AZUEJOS

KRYSTAL KING is the essential ingredient in today's social, industrial and general working environment. KRYSTAL KING is safe for use in hospital and nursing homes where flammability is an issue. Teachers, medical personnel, emt's, police officers and firemen will find KRYSTAL KING an essential tool in their work-place. The portable characteristic of KRYSTAL KING makes it both convenient and reliable.

## DIRECTIONS

- 1. Access your KRYSTAL KING wipes through the opening located on top of the pail.
- 2. Flip-open the lid to allow easy removal of wipes.
- 3. Pull up on wipe and gently pull at a slight angle. This will tear the wipe at its perforation, allowing access to the next wipe. Clean desired surface. A potable water rinse is required when the product is used in a food processing facility.

Sunrise Tip - If your wipes need to be remoisten simply add water into container until desired wetness is achieved.
