

CHAIN GUARD F.G.

PREMIUM QUALITY FOOD CHAIN OIL USDA H-1 CERTIFIED

FOOD
GRADE

CHAIN-GUARD FG is manufactured from a combination of high quality HVI solvent-extracted dual hydrogenated paraffinic base oils and selected synthetic base oils. These are fortified with antiwear agents and a food grade tackiness agent to impart maximum antiwear and clinging characteristics. **CHAIN-GUARD FG** is recommended for lubrication of chain, rollers and conveyors in industrial plants, contractors equipment and agricultural equipment where food grade lubricants should be used. **CHAIN-GUARD FG** complies with Food and Drug Administration Federal Regulation 178.3620.

FEATURES & BENEFITS:

Economical- Tackiness agent reduces oil consumption.

Food grade- Safe in food plants.

Portability- Packaged in an aerosol.

APPLICATIONS:

Lubrication of chains, rollers and conveyors in industrial plants where food grade lubricants should be used.

DIRECTIONS:

Hold can 8 to 10 inches from surface and apply moderate amount of product (reapply as needed). Allow **CHAIN-GUARD FG** to "set" for 1 to 2 minutes before operating treated machinery. Use extension tube when pinpoint accuracy is needed.

FORMULATION:

Dual hydrogenated paraffinic base oils and selected synthetic base oils.

TARGET ACCOUNTS:

Packing sheds, agricultural accounts, food processing facilities, schools.

SPECIAL CAUTIONS:

None.

**PACKAGING
AVAILABILITY**
Aerosol
